## VI. Additional Chemicals Inventory Form

List other chemicals, including gases, used in the manufacturing process or other processes that may be or have potential to be discharged to the sewer that does not appear in the Priority Pollutant List in Section V.

Please print and complete additional copies of this form, if necessary.

Chemicals						
			Final Disposition (Estimated)			
	#1	#2	#3	#4	#5	#6
	Lbs./Gal. on Site	Amount Used/Day	Percent in Product	Percent to Sewer	Percent to vaporation	Percent to Waste Hauler
